

DEDICATION OF NEW
SITE BAPTIST CHURCH

One Thousand People Attended the Ceremonies, Sunday, May 13. Church Dedicated, Free From Debt.

Probably the largest crowd New Site Baptist church has ever had present attended the dedication ceremonies of the little brick church, recently erected on the farm of A. E. Banks, who donated the site. It is estimated that 1000 people were present. The church was crowded and many stood in the vestibule and on the outside.

Elder C. M. Smith, of Exeter, the pastor, delivered the dedication sermon, taking as his text, 1 Timothy 3:15, "That thou mayest know how thou oughtest to behave thyself in the house of God, which is the church of the living God, the pillar and ground of the truth." Brother Ed Hatfield, of Ritchey, offered the dedicatory prayer.

At noon a basket dinner was served on long tables built on the north side of the church. Such quantities of good country fare was never seen before, and when all had eaten all they could of the excellent meal, there was still an abundance of eatables to be taken back home. Hot coffee was served with the meal.

In the afternoon the children of the church gave a program of Children's Day and Mother's Day work which was well given and much enjoyed.

New Site church was organized in September 1848, with six members. It has moved its location four times, built two houses, worshipped in two school houses and in a brush arbor.

The first house was built 39 years ago. When it was decided to build a new home, the location was changed to bring the church more in the center of the district in which the members lived.

The present membership is 152. The church has extended an arm and organized a church at Bethel and one at Corsicana. It has ordained to the ministry four men—T. L. Largen and J. A. Swiger, both deceased, and Luther Carlin and Oscar Higgin.

Among those attending are reported Mr. and Mrs. Joe Lasley, of Macedonia; Mr. and Mrs. James Gulick and daughters, Mrs. Julia Freeland, Rev. W. A. Todd and family, Dr. D. E. Miller and family of Monett; Mr. and Mrs. Will Black, Mrs. J. T. Brattin and children, Miss Clara Eden, Mr. and Mrs. Monroe Skelton, of Cassville; Mr. and Mrs. T. B. Yarnall, Mr. and Mrs. George Bayless, Mr. and Mrs. Polk Bayless, Mr. and Mrs. Charles McNally and Furlon Neil, of Antioch; Mrs. R. R. Rankin and children of Wellington, Kan.; Will Browning and sister, Doria Leonard and Mrs. Della Prevo, of Exeter and a number from Peirce City, Mt. Olivet, Clear Creek Bethel and surrounding communities.

PROPER FOOD FOR

WEAK STOMACHS

The proper food for one man may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should eat slowly and masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating, they should take Chamberlain's Tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.—Adv.

HOGS.—Receipts fairly liberal today, and the market slow and about 10c lower on best weight hogs, with pigs fully 25c lower on best weight hogs, with pigs fully 25c lower; top \$16.40. CHURCH NEWS

The quarterly conference of the M. E. Church and M. E. Church, South, were held Thursday.

Dr. J. R. Strong, presiding elder of the M. E. Church, South, and Dr. W. D. Sidman, district superintendent of the M. E. Church and Rev. Price, pastor of the M. E. Church, South, of Peirce City, were present.

Twenty members of the two official boards met together and informally discussed the union of the two churches.

A more rousing conference was never held in Monett than this one, or a time when the feeling of Christian fellowship was more manifest.

The two congregations have met together since last fall and have been gaining some notable results in the activities pertaining to church life.

The members of the Southern Conference made impressive talks telling how they had been made to feel at home since coming to the M. E. Church and of the good they thought could be accomplished by the union.

They voted on the two churches uniting and that the property of the Southern Church be transferred to the M. E. Church. The union will be complete when a few little minor details are attended to.

This union means a great deal to Monett for with two live churches working together much good is bound to be accomplished.
